

Welcome To INDIAN ACADEMY DEGREE COLLEGE - AUTONOMOUS

Academics with real-world direction

For over three decades, Indian Academy Degree College - Autonomous has been shaping students who are ready for the world beyond the classroom.

With a focus on academic excellence, global exposure, industry-relevant training, and a vibrant campus life, our approach blends strong learning foundations with real-world readiness.

At IADC-A, we are committed to nurturing individuals who are not only academically strong, but also socially aware, future-ready, and capable of making meaningful contributions.

**APPLY TODAY
TO MAXIMISE
YOUR SCHOLARSHIP**

India's first 100% scholarship programme

The IADC-A Badge Scholarship

At Indian Academy Degree College-Autonomous, the Badge Scholarship recognises students who show exceptional promise—not only in academics, but also in sports and cultural excellence.

Designed to remove financial barriers, the programme offers 100% scholarship support, along with flexible payment options for deserving students from varied backgrounds.

Backing belief with structure, IADC-A ensures that talent is supported with the resources, mentoring, and opportunity it deserves.

Career readiness, built in

Centre for Industry Partnership (CIP)

CIP presents Industry Interface Program (IIP). Students Journey in the Industry Interface Program is based on Point Based Review Mechanism and Opportunities based on Points received in the review. IIP includes 4 phases Volunteering, Part-time work, Internship and Placement.

Placement drives run from August to May, ensuring students graduate industry-ready and confidently positioned for their next step.

Driven by teaching

Learning strengthened through industry exposure

Faculty members shaped by experience

Indian Academy brings together a team of highly qualified, experienced faculty members across disciplines — academics who combine subject depth with real-world perspective.

Our educators bring:

- Academic rigour and research-led thinking
- Industry exposure and global insight
- A student-first, mentorship-driven approach

The result is learning that is guided, relevant, and grounded in application.

Netcraftz

Associated with IADC - A, it provides industry-aligned technology training and digital solutions, focusing on practical skill development and workforce readiness.

ISDC (International Skill Development Corporation)

ISDC partners with IADC -A to deliver globally recognized certifications and industry-relevant skill programs, strengthening employability. It includes certifications in ACCA and IOA.

Spaces for focused learning

Indian Academy offers a learning environment that supports academic focus, collaboration, and access from well-stocked libraries and digital resources to classrooms designed for discussion and engagement. Facilities are built to support serious learning, not distractions.

Learning beyond the syllabus

Physical Education

Our PE curriculum is focused on developing fitness, motor skills, and health through exercise and sports. It enhances the physical growth, mental well-being, social skills, and lifelong active living.

Cultural Activities

Freshers Day, Club Inaugurations, Spectrum, Independence Day, Dasara Celebrations, Kannada Rajyothsava, Gandhi Jayanthi, Dandiya, Yuvatharang, Farewell Day

Institutional Social Responsibility (ISR)

ISR demonstrates our institution's commitment to society through education, community services, sustainability, and ethical practices, promoting social well-being and responsible citizenships.

Student Organisations & Alumni Initiatives

It connects students and alumni through networking, mentoring, and collaboration.

International Association for Continuing and Professional Education (IACPE)

It provides globally recognized certifications and training programs, enhancing professional skills and employability in association with IADC - A.

Deanship of Scientific Research (DSR)

It offers industry-oriented skill development and training programs, preparing our students for career readiness and professional growth.

Life Lab

A, provides students with hands-on, experiential learning opportunities, fostering practical skills, innovation, and real-world problem-solving within an academic setting.

Women Empowerment Cell

Promoting safety, equality, and awareness through education and advocacy.

Clubs

Clubs at IAGI provide students with platforms to explore interests, develop leadership skills, and engage in collaborative activities. The various club includes Riders Club, Culinary Club, Debate Club, Literature Club, Music Club, Nature Club, Programming Club, Design Club, Robotics Club, Business Club, etc.

National Cadet Corps (NCC)

Following the NCC motto "Unity and Discipline," our NCC wing aims to instill awareness of nation-building while preparing cadets for diverse opportunities in Government and public sector services. Indian Academy 6/B Troop NCC is attached to the 8 Karnataka Battalion, Bangalore 'B' Group, under the Karnataka - Goa Directorate.

Research Centre (CLSR-LAB)

The Central Life Science Research Laboratory fosters innovation, interdisciplinary research, and knowledge creation, providing students and faculty with advanced resources to address real-world challenges.

Youth Red Cross

Engaging students in humanitarian service and volunteer-led action.
